OMER TRADITIONAL BLOND 8°

A must-taste!

33cl

4,00

Summer malted barley from the Loire region (France) and three different hop varieties give this unique Traditional Blond its fruity aroma and full-flavoured character. This top-fermented beer, named after the brewery's founder, has been winning numerous accolades since its introduction in 2008:

- *Gold Medal 2011 US OPEN Beer Championship*
- *Gold Medal 2010 World Beer Cup*
- *Gold Award 2009 European Beer Star*

BLAUW 5,2° - 33 cl

2,60

A low fermentation 'export' beer, popular since the 1980's, produced with only natural ingredients and no preservatives.

KRIEK MAX JACOBINS 3,2° - 25cl

3,00

No less than 25% cherries give this contemporary cherry beer its sweet full flavour and pleasant aroma. Low alcohol content.

- *World's Best Kriek 2011 World Beer Awards*

ALFRED 7,5° - 33cl

4,00

Exactly 125 years ago Zulte Alfred Versele, in collaboration with Ernest Martens - father of the playwright Gaston Martens - began a brewery, which will later be named Anglo-Belge.

As a tribute to a visionary brewer and especially as an purebred and innovative entrepreneur a new beer was launched.

The new regional product 'ALFRED' is a yellow ale of high fermentation, brewed with malt and hops of Belgian origin.

LEFORT TRIPEL 8,8° - 33 cl

4,50

Triple LeFort is a golden blonde beer of 8,8% ABV and sets itself apart through its crisp, fruity aroma and beautifully rounded full flavour. The top-fermenting yeast used for Tripel LeFort results in a beer with vanilla-clove aromes as well as a fruity taste of bananas and red apples. Pleasant hints of citrus, lime and roses makes this into a balanced beer that is intriguingly complex at the same time.

SINT BERNARDUS ABT 12 10° - 33 cl

4,50

St. Bernardus Abt 12 is widely regarded as one of the best beers in the world. It is therefore no surprise that it is our brewery's flagship beer, ranked at the very top of the St. Bernardus beer hierarchy. It is brewed in the classic quadruple style and adheres to the original 1946 recipe. St. Bernardus Abt 12 has a very fruity aroma that is the result of using our own unique yeast. It brims over with different, complex tastes and stands out through its long, bittersweet finish. Thanks to its mild, rounded taste and perfect balance between bitter and sweet, this beer goes down very easily.

SINT BERNARDUS TRIPEL 8° - 33cl

3,50

St. Bernardus Tripel is a traditional abbey beer that follows the classic tripel style. In the Watou region a tripel is often referred to as a 'Bernadetje'. A fine tribute that pays homage to Bernadette, the youngest daughter of Evariste Deconinck, the man to whom the monks of Abbaye Sainte du Mont des Cats sold their Belgian property in 1934. St. Bernardus Tripel has a slightly sweet aroma and a flowery, fruity taste in which bitter and sweet merge harmoniously. Thanks to its pleasant hoppiness, the mouth feel of this beer is nothing short of beatific - it quenches your thirst and stimulates the appetite and this is what we call a perfect combination.
